Mr. E. P. Lovejoy, a large dealer in general merchandise, and editor of the Wabuska Mangler, at Wabuska, Nevada says: "I have tried St. Patrick's Pills and can truthfully say they are the best I have ever taken or known used." As a pleasant physic or for disorders of the liver they will always give perfect satisfaction. For sale by G. C. Thaxter.

Change is one of the irresistible laws of nature, and fortunately the change is almost invariably for the better. As an instance of this, St. Patrick's Pills are fast taking the place of the old harsh and violent cathartics, because they are milder and produce a pleasanter effect, besides they are much more beneficial in removing morbid matter from the system and prevent ague and other malarious diseases. As a cathartic and liver pill they are almost perfect. For sale by Geo. C. Thaxter.

LOCAL JOTS.

All kinds of job work done at this office.

Miss Lohman's millinery display is "just lovely."

The joy in the Garrison-Pamlico suit stood six to six.

Ex-Assemblyman Hardin and wife arrived in Carson last evening.

If you need any printing done don't wait for the rush during the Fair.

D. Kaiser has had another electric light put in the Ormsby; in the bar room.

John W. Mackay is expected back from the East about the 15th of next month.

The iron fence for the State Printing office has at last arrived and is being put in place.

The train has gotten down to a steady thing of being an hour behind time every day.

W. D. Keyser expects to have the outside of his new house about completed by Fair time.

Only a few days remain in which to get in your bids for privileges at the Fair grounds and Pavilion.

Clean up the streets and alleys so that the town will present a clean appearance during the District Fair.

The APPEAL editor returned to Carson last evening from the Wabuska Fair, his cattle going on to Reno.

Mrs. Pannacard, who attempted suicide in Virginia by shooting herself, seems to be in a fair way for recovery.

The Chronicle steals bodily from the APPEAL a correspondence regarding the drowning of Washoe Lake, and does not give any credit.

The weather has been about all anybody could ask for the past few days, and if it continues to be as fine as this during the Fair, a large attendance at the races will be the result.

The ditch for the conveyance of water to the Fair Grounds is nearly completed, and the laying of the two-inch pipe will begin soon. It is understood that a hydrant will be placed at every fifth stall, which will give an ample supply for all of the stock.

SENSATION SOLD.—Frank Lee, of Reno, who was a half owner of Sensation, has received a telegram from Tommy Keating that he has sold the horse to Frank Works, a New York City banker. The price was not stated, but it is believed to be about \$10,000.—Journal.

BASEBALL TALK.

The admission fee will be 25 cts. for tomorrow's game to help pay the expenses of the Comstockers.

The ball game between the Carson and Virginia ball club next Sunday will be very hotly contested, and each club will have a chance to test the merits of the other.

Though Carson's ball club is called the Amateurs, it is entirely separate and distinct from the old Amateurs, and the present club is not responsible for the debts of the former club.

Neither Brannan nor McBrierty will play in Sunday's ball game, the Tribune to the contrary notwithstanding. As the APPEAL said yesterday, the Carson boys will play as follows: Johnson pitcher, Land catcher, Gad 1st. base, Coleman 2nd, Bryant 3rd, Wright right field Nulty center, Martin left and Cowing short stop.

MILLINERY.—A casual glance at Miss Lohman's stock of head dress for Misses and Ladies will convince anyone that she has styles and novelties enough to suit the most fastidious. sep27,1w

THE FIRES AT CASCADE.

A Feeling Among the Mountain People Against the Sheep Herders.

The Sacramento Bee has the following to say about the Cascade fires which has caused the passenger train to come late for the last two weeks:

News was received at railroad headquarters yesterday from Cascade, stating that another forest fire had broken out, and that the property of the Company was again threatened. Two water trains were immediately dispatched to the place and arrived in time to check the spread of the flames. Assistant Division Superintendent Burkhalter who has just returned from Cascade was seen by a Bee reporter. Referring to the cause of the fires, he said that he found considerable feeling among people living in the mountains against the sheep herders. It is claimed that they set fire to the grass on the hills, believing by doing so that a better crop of feed for the sheep is the result. Afterwards the flames communicate to the timber and spread for miles during periods of high winds. Dead logs and debris, in which the fire may have been smoldering for weeks, have also been found to be direct causes of the great conflagrations. In Nevada county a tax is imposed upon sheep grazing on the ranges within its limits. It is claimed that the stage roads are injured greatly by their presence, as the sheep in climbing the hills in herds, loosen boulders and bodies of earth which naturally drift toward the road beneath, in many cases causing serious obstructions to travel.

MARGARET MATHER.—Next Friday evening October 4th, Miss Margaret Mather will make her first appearance in Carson. An S. F. Exchange says: Margaret Mather who ranks with Miss Mary Anderson in interpreting Shakespearean roles, commences a limited engagement of four nights and a Saturday matinee at the Grand Opera House in Romeo and Juliet, supported by J. B. Studley, and a carefully selected company. Miss Mather invests the part of Juliet with all those sweet qualities the student of Shakespeare has dreamed of in the fair maiden of Verona. From the work of this lady it is readily seen why she is accorded by critics the honor of being the Juliet of the American Stage.

AN HISTORIC WAR HORSE.—The old war horse Comanche, the survivor of the famous Custer massacre is still handsomely cared for at the Government's expense. An exchange relates: "By special order of the military authorities Comanche is provided with a comfortable stall, fitted up especially for him, out in Dakota. No one is permitted to ride him, and he is not allowed to do any hard work whatever. Riddled with bullets and scarred with saber wounds, his body speaks eloquently of the perilous duty he has performed in his 22 years of service under the Government."

BEATS THE WASHINGTON MONUMENT.—The highest structure of masonry in the world is said to be the National Museum recently completed at Turin. It was originally designed for a synagogue, but it proved ill adapted for that purpose, and was sold to the city. It was then converted into a museum as a monument to the memory of Victor Emmanuel. On the top of the dome rises a spire nearly as high as the whole of the rest of the building. The gilded statue on the top of this spire stands 538 feet from the ground.

NOTICE.—Owing to the scarcity of water the patrons of the Carson Water Company are hereby notified that irrigation will be permitted on Tuesdays and Saturdays only. The necessity for this order is imperative, and the cheerful compliance on the part of consumers will save unnecessary trouble. HENRY DAUGHERTY, Superintendent.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. Twenty five cents a bottle.

A HALE OLD MAN.—Mr. James Wilson of Allens Springs, Ill., who is over sixty years of age, says: "I have in my time tried a great many medicines, some of excellent quality; but never before did I find any that would so completely do all that is claimed for it as Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is truly a wonderful medicine." For sale by Geo. C. Thaxter.

What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal prices? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedie, Druggist

How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedie, Druggist.

Cough! and Cough!! and Cough!!! What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedie, Druggist.
